

Helping Children in Haiti

Noah's Ark has partnered with a ministry to provide assistance to orphans in Haiti. Our contact is able to take supplies and equipment directly to the orphans – with no middle man. We are very excited about this opportunity to reach out to children in need and welcome you to partner with us in showing these orphans God's love. Below is a list of immediate needs. These items may be dropped off at Noah's Ark anytime Tuesday through Saturday from 9:00 a.m. – 4:00 p.m.
